Wade, the 1973 ruling that established a right to abortion, it sparked legal changes and court challenges in states nationwideU.S. officials said they are able to ship out more monkeypox vaccine doses than previously plannedWest Virginia Gov. Jim Justice has rejected a suggestion by Democrats to let voters decide whether abortion should continue to be allowed in the stateA state judge has refused to immediately stop enforcement of Georgia's restrictive abortion lawMore than 2,300 monkeypox cases have been reported in New York City. Some Florida schools have moved library books and debated changing textbooks in response to a law critics call "Don't Say Gay."Dr. John Brownstein, epidemiologist and Chief Innovation Officer at Boston Children's Hospital, discusses the Rockland County, New York, polio case and whether the virus could be spreading.The new vaccine protects against the original virus and the omicron variant.British health officials say the monkeypox outbreak across the country "shows signs of slowing" but that it's still too soon to know if the decline will be maintainedAn anti-abortion activist who heads a small hard-right Republican group said he's offered to pay the expected \$229,000 cost of a hand recount of votes from every Kansas county after a decisive statewide vote affirming abortion rightsThe World Health Organization is holding an open forum to rename the disease monkeypox, after some critics raised concerns the name could be derogatory or have racist connotationsClimate activists are pressuring President Joe Biden to declare a national climate emergency, something the White House hasn't done yetUkraine's health minister has accused Russian authorities of committing a crime against humanity by blocking access to affordable medicines in areas its forces have occupied since invading the country 5 1/2 months agoThe Idaho Supreme Court says Idaho's strict abortion bans will be allowed to take effect while legal challenges play out in courtDemocrats have pushed their landmark climate and health care bill through Congress, handing an election-year victory to President Joe BidenDems push climate, health, tax bill through Congress, a landmark election-year Biden win that once seemed out of reachThe CDC says 99% of fully vaccinated children are protected from polio.Louisiana's Supreme Court has rejected an appeal filed by plaintiffs in the ongoing legal battle over the state's abortion banThis comes weeks after a case of polio was identified in nearby Rockland County.The World Health Organization is holding an open forum to rename the disease monkeypox, after some critics raised concerns the name could be derogatory or have racist connotationsThe polio virus has been found in New York sewage, but officials are stressing that the highest risk is for people who haven't been vaccinatedIt comes after a case was detected in a county just north of the city.Health officials say polio has been found in New York City sewage, suggesting wider spread of virus among unvaccinatedGermany's health minister says European Union drug regulators may authorize the use of vaccines that are effective against two variants of the coronavirusNew Zealand has welcomed the first cruise ship to return since the coronavirus pandemic began, signaling a long-sought return to normalcy for the nation's tourism industry
